The competition is a two day event combining with the Furuno Snapper World Cup Competition.

Everyone who weighs in a qualifying snapper (300mm or over) gets one entry for a chance to win the StabiCraft major prize.

The more snapper you enter, the more chances you get!

All qualifying snapper count as an entry in the draw each day as long as no more than nine snapper in total are weighed in each day per entrant.

On the final night one person will win the STABICRAFT/YAMAHA prize.

That person will be one of 20 people who have been drawn previously over the two competition nights at 10 persons per night.

A prize will go to the snapper that is closest to the average/mystery weight chosen that day.

Contestants can weigh in 3 of their largest snapper to contest the heaviest snapper prize and one for the mystery weight prize.

First, second and third prizes will be awarded to the heaviest, second heaviest and third heaviest snapper entered that day.

The heaviest snapper will qualify for 30 extra entries in the Boat draw, the 2nd heaviest will get 20 extra entries and the 3rd will get 10 extra entries each night.

There will be spot prizes and ticket draws throughout the competition. 1st, 2nd and 3rd prizes for Trevally, Kahawai and Kingfish will be based on their weight.

A maximum of 3 fish each of Trevally, Kahawai and Kingfish can be entered per day.

Children are able to enter any legal fish. Prizes for the childrens section will be drawn and spot prizes for what are considered to be meritorious fish at the weigh in will be awarded.

**You must be there on the night to claim your prize otherwise it will be redrawn!**
